We'll be collecting items for Patriot Packages.

I served 5 years as a combat medic in the US Navy Hospital Corpsman 3rd Class with the Marines. During my 2016 deployment, we made a trip once a month to a large base where we could take a hot shower and eat a hot meal. The items in these packages were a great morale booster.

Items Needed

Lip Balm	Travel sized:
Hand Sanitizer 2oz	Q-tips
Tissues purse size	Shampoo/Conditioner
Drink mix – single serve	Lotion
Vienna Sausage – 4 oz	Soap/Body wash
