

Friends & Family CPR Class

The **Family & Friends CPR** Course teaches the lifesaving skills of adult Hands-Only CPR, adult CPR with breaths, child CPR with breaths, adult and child AED use, infant CPR, and mild and severe airway block for adults, children, and infants. Skills are taught in a dynamic group environment using the AHA's research-proven practice-while-watching technique, which provides students with the most hands-on CPR practice time possible.

Family & Friends CPR is for people who want to learn CPR but **do not** need a CPR course completion card. This course is ideal for community groups, new parents, grandparents, babysitters, and others interested in learning how to save a life. There is no fee for this class.
