Fireworks Stand site permit requirements.

Site Plan: that includes where the dumpster will be and where any fireworks that are not displayed will be stored. The location of any campers or generators. Temporary Electric poles. Ensure Parking is at least 10 feet from the tent.

Certificate of Flame Resistance: Including the sides as well as the tent. The numbers on the fabric need to be clearly visible.

Permission from the landowner: A notarized letter from the land owner stating the specific dates that permission has been granted to sell fireworks on their property.

Fireworks License: A License from the Missouri Division of Fire Safety. The specific selling periods and the specific location needs to be correct on the license.
