September 15, 2022

Dear Residents,

Burning season is from September 16, 2021, until April 14, 2022. Residents in Unincorporated St. Charles County are eligible to burn. Residents in the city limits of any Wentzville Fire Protection District jurisdiction are prohibited from open burning. This does not include firepits or recreational fires. This type of fire does not require a permit.

The process for issuing permits will remain as it was the past few years. Please visit our website at www.wentzvillefire.org. Residents, Residential Burn Permit, click on Open Burning Submission Form and complete the Google form. If there is an issue with your submission, our office will reach out to you, if no issues, your permit will be kept on file and good for the entire burning season.

We hope our protocol will be beneficial to you.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Cuddihee', with a long horizontal line extending to the right.

Chris Cuddihee, Fire Marshal
